Every applicant must complete one work party before their membership will be confirmed. Generally there are two working parties every year, one at each end of the season. Some years this may not apply however, and the work party requirement may be carried over to the following year. If this is the case please send a COPY of your initial application to the Club and keep the original until you have the sign off from the Trip Leader on your work party.

Membership applications are considered at the Committee meeting following receipt of your application. Meetings are less frequent outside the ski season so it may be some time before you receive a response. If you are concerned or would like more information contact the club at secretary@tahurangiskiclub.org.nz
